		Please note which is <u>the best way</u> to contact.	

Please list any concerns you have or any circumstances that will affect your child's performance in chemistry/biology/aviation in the space below. This paper is confidential and will not be shared with other students or staff.

C. Mrs. Stone's Contact information- my e-mail is stonev@rlasd.net and it is the best, most reliable way to contact me (I check it several times a day and in the evening). I am usually at school until 5 PM. Please do not leave a message on the school phone for me, as that is the slowest and most unreliable form of communication for me. My home phone is 246-9219 if you have an urgent question (please do not call after 8 PM).
